The Specialized Carriers and Rigging Association (SC&RA) is an international trade association of more than 1,300 members from 43 nations. Members are involved in specialized transportation, machinery moving and erecting, industrial maintenance, millwrighting and crane and rigging operations, manufacturing and rental. SC&RA helps members run more efficient and safer businesses by monitoring and affecting pending legislation and regulatory policies at the state and national levels; researching and reporting on safety concerns and best business practices; and providing five yearly forums where these and other relevant member issues can be advanced.
