THE CRANE AND RIGGING EVENT OF THE YEAR!

2018 CRANE & RIGGING WORKSHOP

September 26-28

Louisville Marriott
Downtown

Louisville, KY

SCHEDULE

▶▶ TUESDAY, SEPTEMBER 25

2:00 pm – 5:00 pm

REGISTRATION/INFO DESK

▶▶ WEDNESDAY, SEPTEMBER 26

7:30 am – 5:00 pm

REGISTRATION/INFO DESK

8:00 am – 12:00 pm

**CRANE & RIGGING GROUP
COMMITTEE MEETINGS:**

8:00 am – 9:00 am Safety Education
& Training

9:15 am – 10:15 am Labor

10:30 am – 12:00 noon Governing

All attendees welcome.

1:00 pm – 2:30 pm

OPENING SESSION:

**PRACTICAL WAYS TO PROTECT YOUR
COMPANY FROM LAWSUITS**

The new lottery of today is a lawsuit. Bill Smith, EVP of Claims and Risk Management for NBIS, will share practical ways to protect and defend yourself in the event of a suit filed against your company or employees.

Speaker: Bill Smith, EVP Claims & Risk Management,
NBIS (NationsBuilders Insurance Services, Inc.)

2:30 pm – 3:00 pm

NETWORKING BREAK

Sponsor: Liebherr

3:00 pm – 4:00 pm

BREAKOUT SESSIONS

**BRIDGING THE GAP BETWEEN
COMPLIANCE & CHOICE**

In any company environment, employees must follow rules and it's the manager's job to make them comply. Using SC&RA's new Severe Weather Guidelines as an example, Troy Pierce will explain best practices for managers who want to introduce new practices and rules to employees, and what it takes to change behaviors from compliance to choice.

Speaker: Troy Pierce, Vice President HSE,
TNT Crane & Rigging, Inc.

**TACKLE ANY JOB WITH BETTER
TOOL MANAGEMENT**

As industry standards are strengthened and enhanced, is your company prepared, organized and compliant when it comes to your tooling operations? Learn all your options in inventory management, inspection recording and other tools so your team can be compliant (ASME B30 standards and OSHA 1910) and efficient for optimum business growth.

Speakers: Patrick Clark, National Rental
Support Manager, Lifting Gear Hire
Tom Beasley, Business Support
Manager, Lifting Gear Hire

2018 CRANE & RIGGING WORKSHOP

September 26-28 ▶▶ Louisville Marriott Downtown, Louisville, KY

▶▶ WEDNESDAY, SEPTEMBER 26, *continued*

4:00 pm – 4:30 pm **NETWORKING BREAK**

Sponsor: Liebherr

4:30 pm – 5:30 pm **BREAKOUT SESSIONS:**

MOBILE CRANES ON THE MOVE: USING NEW OS/OW RULES TO YOUR ADVANTAGE

Cranes can now be efficiently moved reducing risk. But one permitting mistake could cost your company millions of dollars. SC&RA's Vice President of Transportation, a former state DOT official, explains how to take advantage of a recent federal government ruling on mobile cranes to maximize your time and budget. All aspects of securing permits and working with law enforcement and government officials will be covered.

Speaker: Steven Todd, Vice President, SC&RA

CALCULATING SLING ANGLES & HARDWARE SELECTION

Learn how to calculate reduction factors, tension factors and the effects of angular loading on hardware. Although the working load limit of the hardware is very important it is not the only determining factor when selecting rigging hardware. See how WSTDA Synthetic Safety Bulletins and the most overlooked and obvious resource--owner's manuals--can be used to identify hazards and reinforce proper inspection prior to use.

Speaker: Sam Socolow, Product Application & Training Manager, Ashley Sling, Inc.

6:00 pm – 6:30 pm **FREE HEADSHOTS**

Take advantage of this opportunity to have your professional headshot taken by SC&RA's photographer. No cost. First come, first serve. Guaranteed to the first 25.

6:30 pm – 7:00 pm **FIRST TIMERS' BRIEFING**

Is this your first time attending an SC&RA event? This intimate briefing provides you the opportunity to meet with officers, staff and other first-time attendees, to network, and learn more about how to best leverage the event for business success.

7:00 pm – 8:00 pm **RECEPTION**

Sponsors: Link-Belt Cranes

NBIS (NationsBuilders Insurance Services, Inc.)

This inclusive program is designed to help fast-track the best and brightest young minds to the next levels of professional and Association leadership. Accepted applicants will be matched with a mentor and learn from various industry veterans about workplace trends and industry issues. **Apply now by visiting www.scranet.org/leadership.**

Rigging Gear Sales, Inc.

8:30 am – 9:30 am

Keynote Session: The Road to Change

Anne Mahlum's compelling personal story and work with "Back on My Feet", a nonprofit organization combatting homelessness through the power of running, is a powerful and inspirational example of how change happens. Anne will reveal how we all need the same things in life to grow and succeed—to be noticed, to be appreciated, to be valued and to be cared for. She will demonstrate that altering the way we see ourselves and our circumstances is at the core of change and that only then can we begin to move out of our comfort zones and create significant adjustments in our lives.

Speaker: Anne Mahlum, Owner/CEO, [solidcore]

Sponsors: Riggers Manufacturing Company

Rigging Gear Sales, Inc.

Terex USA, LLC

9:30 am – 10:00 am

NETWORKING BREAK

Sponsor: Liebherr

10:00 am - 11:30 am

BREAKOUT SESSIONS:

THE HAZARDS OF SERVICE PROVIDERS

What contributes to accidents? Recent research points to a lack of safety talks, pre-lift meetings and miscommunication between service providers (crane rental firms) and the client. Capitalize on the latest research to learn who needs to be included in meetings and key elements to include in your plans so that you can reduce your risk of accident.

Speakers: Jim Wiethorn, Ph.D., P.E.,

Haag Engineering

Fernanda Leite, Ph.D., P.E.,

University of Texas

HOW TO SUCCESSFULLY USE SYNTHETICS

What are the effects of bending on synthetic fiber ropes and slings, and how do they differ from steel wire and round slings? Dennis and Brooks will address reduction factors and bending fatigue properties of fiber ropes in various lifting applications.

Moderator: Tony Fastuca, VP, Sales &

Marketing, ASC Python America

Speakers: Brooks Nunley, Technical Sales &

Key Account Manager, Cortland Company

Dennis Sherman, Technical Sales

Manager-Crane, Samson Rope

LINK-BELT CRANES FACTORY TOUR

As you tour the 770,000 sq.-ft Link-Belt plant, you will see firsthand everything it takes to assemble a Link-Belt Crane.

Machining centers, assembly, lattice and formed boom bays, final paint and much more — are all customary stops along the way. Link-Belt is proud of the innovations its own people have developed to not only build cranes but maintain its status as a good environmental citizen to the surrounding Bluegrass Region. Transportation and lunch provided.
