

CONTEST RULES

SC&RA's Hauling Job of the Year Competition, conducted annually, recognizes members' outstanding achievements in moving and trucking jobs.

Categories

Entries are submitted in the following 4 categories:

Moving

Movement using specialized equipment such as self-propelled transporters, dollies, and crawler assemblies. Transport on wheels must be evident.

Trucking

Movements using highway licensed tractors and trailers, predominantly via public highways (modifications to hauling unit are permitted). Entries are judged based upon the gross weight of the job and include tractor/trailer combinations.

- Loads < 260,000 lbs. gross Loads
- 260,000 - 360,000 lbs. gross
- Loads > 360,000 lbs. gross

Requirements to Compete

- SC&RA member in good standing
- Upon one-year membership anniversary, a company may enter the competition if the job was awarded after their one-year membership anniversary date
- Job completed by 12/31/2025
- Company must have maintained care, custody, and control throughout the job
- Only one entry per company per category
- Companies must present their entry live at the Annual Conference
- Winners are expected to present their winning jobs at the following [Specialized Transportation Symposium](#)
